**Glass Blocks can be installed to meet a range of Fire Resistance Levels (FRLs) for both Vertical and Horizontal Panels.**

**Glass Blocks Queensland supplies and installs blocks specifically manufactured to meet the following FRLs for Vertical Panels:**

- /60/-
- /90/-
- /60/30
- /60/60
- /90/90

**(Some of these blocks can also be used to achieve other ratings)**

**And for Horizontal Panels:**

- 60/60/30
- 60/60/60
- 90/90/90
